••

Participants may use their telephone or computer microphone and speakers (VoIP) to join. Please use the following access code to enter the webinar:
644-377-877 (ATTENDEE-muted)

To join the webinar on the day:

1. Click on the registration link provided opposite and enter your details. Select 'Register'.

2. You will receive a confirmation email with instructions to join once successfully registered.

3. **You will need to install 'GoToWebinar Opener' 30 minutes before the webinar time. Complete the installation by selecting the** 'Join webinar' link in the confirmation email.

4. The download will be launched automatically. Select 'open'.

5. You will be prompted to choose an audio option, either computer audio or phone call. You can then test your audio or change your audio preference if needed.

6. Once the 'GoToWebinar Opener' download has installed, the webinar session will open.

7. You have now successfully joined and will be connected to audio once the webinar begins.
