TEN THINGS WORTH KNOWING ABOUT US
Disclaimer

Many factors could cause the actual results, performance or achievements to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, among others, adverse changes or uncertainties in general economic conditions in the markets we serve, a drop in the gold price, a sustained strengthening of the Rand against the Dollar, regulatory developments adverse to DRDGOLD or difficulties in maintaining necessary licenses or other governmental approvals, changes in DRDGOLD’s competitive position, changes in business strategy, any major disruption in production at key facilities or adverse changes in foreign exchange rates and various other factors. These risks include, without limitation, those described in the section entitled “Risk Factors” included in our annual report for the fiscal year ended 30 June 2018, which we filed with the United States Securities and Exchange Commission on 31 October 2018 on Form 20-F. You should not place undue reliance on these forward-looking statements, which speak only as of the date thereof. We do not undertake any obligation to publicly update or revise these forward-looking statements to reflect events or circumstances after the date of this report or to the occurrence of unanticipated events. Any forward-looking statements included in this release have not been reviewed and reported on by DRDGOLD’s auditors.
MINING
WHERE THE SUN SHINES
no underground mining risk
